There are a number of people who sign up for Notifications from our Newsflash page, who would have also received a message that the survey was live.

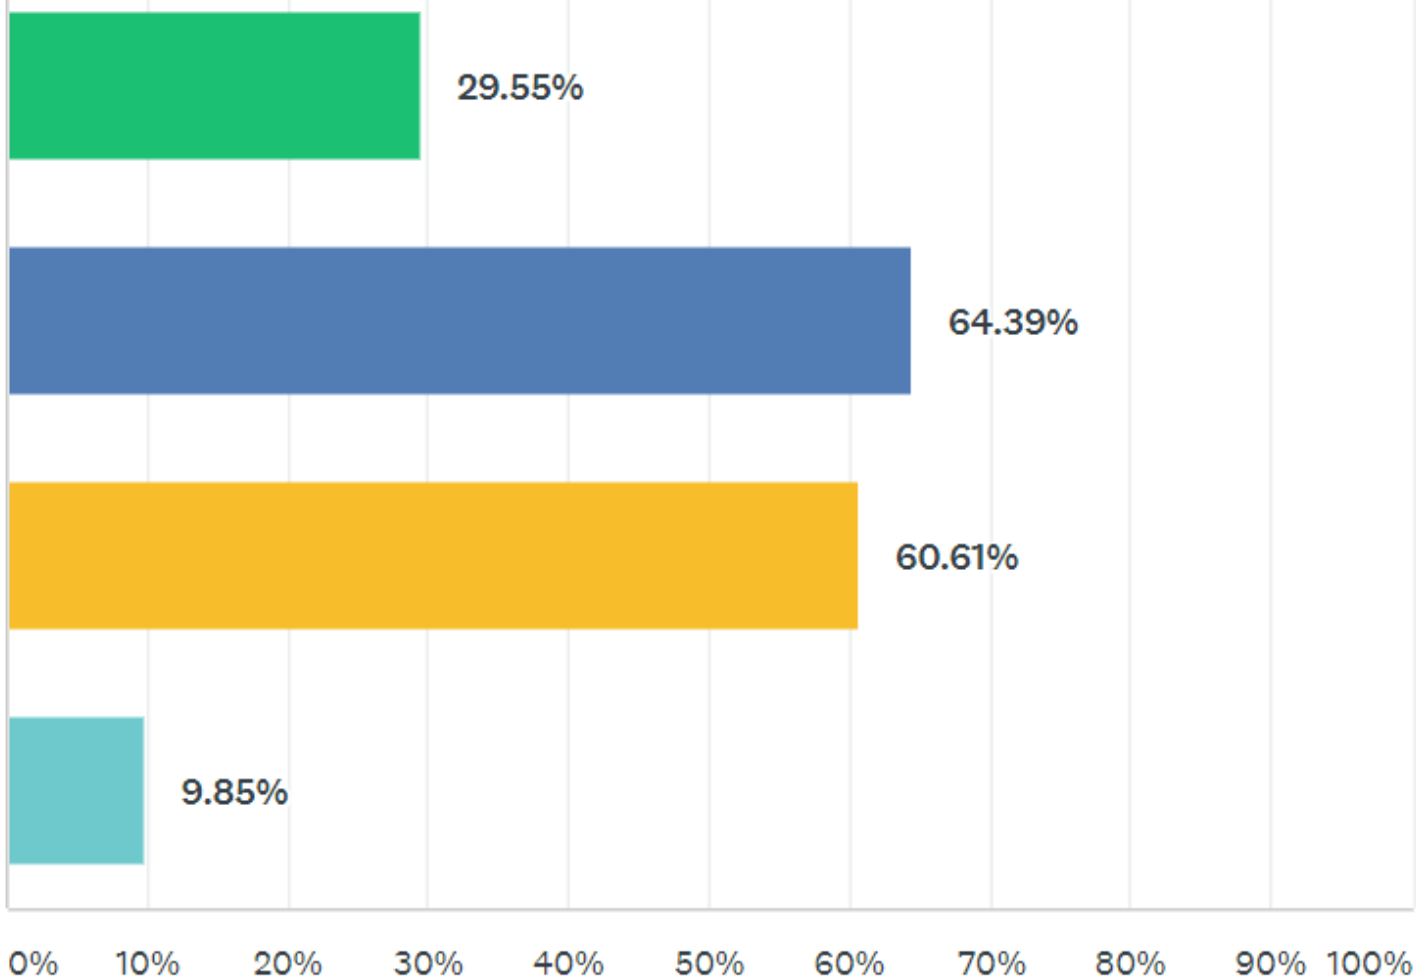

Survey opened on April 28 – it  
was late due to technical  
difficulties  
and closed on May 6.  
136 Respondents

Timeframe

The Government of Alberta's proposed legislation allows cannabis to be sold in privately operated retail stores. These stores will have to sell provincially licensed cannabis and cannot sell it with alcohol, tobacco or pharmaceuticals. The Town of Black Diamond has the ability to determine what locations are the best fit for cannabis stores. **In your view, what kinds of locations are appropriate?**

## Question 1 RETAIL

map provided in survey

Small scale commercial areas in residential neighbourhoods

Central areas like our downtown

Service Commercial areas and business parks

# Question 3

The Government of Alberta has proposed that in an effort to protect children and limit second-hand exposure, public smoking or vaping of cannabis will be prohibited from any place where tobacco is restricted. In addition, it proposes...

## **Question 4    Consumption**

...that further restrictions will include the following places:

- On any provincial health care facilities, school properties or child care facilities
- Inside a retail cannabis outlet/store...

## **Question 4    Consumption**

...In or within 5 metres of:

A playground, a sports or playing field, a skateboard or bicycle park, a splash/spray park or any motor vehicles, with the exception of a motor vehicle (RV) being used as a temporary residence. ...

## **Question 4    Consumption**

...The Town of Black Diamond has the ability to further regulate the consumption of cannabis in public spaces. **Please select any public places you feel ARE acceptable for people to consume (smoke/vape) cannabis.**

## **Question 4   Consumption**

In a public park or pathway including the river valley

41.18%

In a restaurant or on a bar patio (in designated areas)

28.68%

While walking down the street

30.88%

Any outdoor public space
