Subsidized transportation is available to residents in Black Diamond and Turner Valley. The service is meant to provide affordable transportation to those in the communities who need a helping hand from time to time.

Who can receive this service?

- Senior residents (60 years and over); and/or
- Residents with disabilities; and/or
- Special needs or circumstances as approved by the municipalities; **and**
- Have no other means of transportation

Eligible trips include:

- Medical appointments
- Volunteering and social events or activities encouraging community participation
- Learning opportunities and errands which would prove difficult if transportation were not available, such as going to the post office or library.

The Towns will cover 60% of the eligible fares to:

- Black Diamond
- Turner Valley
- Okotoks (medical appointments only)
- High River (medical appointments only)
- Calgary (medical appointments only)

Booking the Taxi Service: Contact the Service Provider of your choice directly. There is no guarantee of availability. Rates between service providers may vary. Hours of Operation are at the discretion of the service provider.

Maximum 10 one-way trips per month per client, only two of which can be to Calgary, High River, or Okotoks.

Billing Procedures

Cash payment is to be given directly to the driver at the time the service is provided. The purpose of the trip along with your signature will be required on the driver's tracking sheet. The driver will mark your CAP card to indicate the use of a trip for tracking purposes.

Waiting Time

Each person using the service will be responsible for paying their own waiting time charges. While service providers are willing to wait for a reasonable time, any charges over and above the normal charges will be your responsibility.
