

Landfill

The Foothills Regional Landfill & Resource Recovery Centre may also close the landfill for safety reasons, at their discretion. This may cause collection to cease and/or require a schedule alteration. Whenever possible, schedule changes will be posted to the Town's website and/or Facebook page.

Residential Garbage - Black Cart Collection

Taking Out the Trash

The black cart is the standard method for garbage pickup in Black Diamond.

Automated garbage collection is a safer, cleaner and a more efficient way to take out the trash. Residents must use their garbage cart to have their waste collected.

The Town of Black Diamond is participating in a Pilot Project with the Town of Okotoks for regional garbage collection services. This program will run from June through November of 2020. The public will be updated on "next steps" near the end of the pilot project.

Garbage collection takes place on Thursdays in Black Diamond. Be sure to have your cart placed on the street no later than **7:00 am**.

Holidays, equipment breakdowns or emergency situations may cause the collection schedules to be altered, either as a planned alteration or as a last minute requirement. These changes will be communicated as soon as possible using the Town's website and Facebook page.

Preparing your Garbage Do's and Don'ts

Do – Have your cart out on the street no later than 7:00 am

Do – Bag diapers, kitty litter, animal excrement (small amounts only)

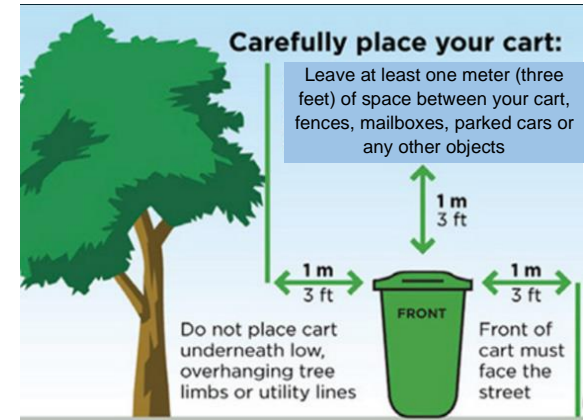

Do – Drain and wrap wet waste to keep your garbage cart clean and to avoid attracting insects and animals

Do – Be responsible for your cart. If your cart is damaged or missing, call 403.933.7599

Don't – Overfill your cart. Place your garbage in the cart and close the lid. Any garbage that doesn't fit must be saved until the next collection day or consider recycling

Don't – Store your cart on the street. All carts must be stored on the premises

Don't – Dispose of paint, toxic or hazardous materials. These items can be taken to the Foothills Regional Landfill & Resource Recovery Centre

Cart Placement for Pick Up

Park It

Place your cart on the street, no later than 7:00 am, with the wheels against the curb if there is one, or just off the roadway, on the shoulder.

Point It

The arrows on the lid must point towards the centre of the street.

Space It

Leave at least an arm's length between the carts and other objects (e.g. recycling bins, cars).
