Recycling & Organics: Wednesdays

For information on accepted and excluded material, visit [town.blackdiamond.ab.ca/291/3-Stream-Waste-Collection](http://town.blackdiamond.ab.ca/291/3-Stream-Waste-Collection)

### Turner Valley Pickup

Garbage: Tuesdays  
Recycling & Organics: Wednesdays

For information on accepted and excluded material, visit [turnervalley.ca/3-stream-collection](http://turnervalley.ca/3-stream-collection)

### Notes

- Please put carts out by 7am
- Lids must be fully closed
- Cart collection is tracked by the trucks as they go by

**Missed pickup or damaged/missing cart?**  
Black Diamond and Turner Valley garbage, organics and recycling collection is managed by the Town of Okotoks as part of a regional waste collection program.

To report missed collection or a problem with your cart, contact the Town of Okotoks Waste Services:

- [forms.okotoks.ca/Forms/Missed\\_Damaged\\_Cart](http://forms.okotoks.ca/Forms/Missed_Damaged_Cart)
- [waste@okotoks.ca](mailto:waste@okotoks.ca)
- 403-938-8054

### Other items

Items not accepted in carts can be taken to the Foothills Regional Landfill & Resource Recovery Centre. For more information visit:

[foothillslrrc.com](http://foothillslrrc.com)

# Your Guide to Waste Collection

**Place all carts out for collection no later than 7am**

- Lids must be closed
- Carts must be returned to your property at the end of the day

# WHAT GOES INSIDE YOUR **BLUE** Recycle Cart

Keep all your recyclables clean and loose in cart

Cans and aluminum containers

Plastic containers

**PAPER:** not contaminated with food or chemicals

Magazines, books

Newspapers and flyers

Corrugated cardboard (flatten)

Boxboard (flatten)

Shredded paper

bagged and tied securely!

## RETHINK

Recycling saves energy, reduces greenhouse gas production, conserves non-renewable resources and creates a revenue stream.

# WHAT GOES INSIDE YOUR **GREEN** Organics Cart

Use compostable bags, paper, or paper bags in your kitchen pails and green carts

Fruit/vegetables

Bread, toast, cereal, baked goods, pizza

Meat, fish, shellfish and bones

Dairy products, eggs and shells

Grass clippings

House plants

Coffee grounds, filters, tea bags

Popsicle sticks and toothpicks

Paper napkins, paper towels

Cooked food scraps

Shrubs and branches (no more than 1m (3 ft) long, 7cm (2.8 in) in diameter)

Pet hair and waste, kitty litter (must be bagged)

Paper bags can go directly into green cart

## RETHINK

Compost is a natural alternative to chemical fertilizers.

# WHAT GOES INSIDE YOUR **BLACK** Garbage Cart

All garbage must be bagged!

Styrofoam food containers, meat trays

Plastic or foil wrappers, gum packages

Dryer and disposable mop sheets, wipes, make-up pads, cotton tipped swabs, dental floss

Ribbons and bows

VHS, tapes and CDs

Toothpaste tubes

Materials contaminated with food

Mirrors, stoneware, pyrex, ceramics

Hoses and rubber products

Furnace filters

## RETHINK

Conserving landfill space allows it to be used longer for waste that cannot be diverted.
